

CLARK JOHNSON Co., Inc.
MANUFACTURER'S REPRESENTATIVE
INDUSTRIAL & COMMERCIAL REFRIGERATION EQUIPMENT

To All Our Valued Customers;

Today we bring you exciting news!

Starting April 17th 2017, Clark Jonson Co will be a stocking representative of Parker R/S valves.

Refrigerating Specialties (R/S) has been manufacturing and distributing refrigeration valves for decades. Celebrating their 100th anniversary in 2016. They offer a complete line of pressure regulators, solenoid, liquid level controls, safety relief valves, hand shut off valves and a host of complimentary technical products like purgers, level probes and floats.

Since 1979 Clark Johnson Co., Inc has been committed to providing the refrigeration industry with the best product expertise, customer focused service, and superior quality equipment. Teaming up with Parker R/S is another way Clark Johnson Co., Inc is enabling your business to be equipped with the most competitive products to serve your customers.

We look forward to working with you in this exciting new venture.

Sincerely,

Clark L Johnson
President
Clark Johnson Co., Inc
